

“The new evangelization calls for followers of Christ who are unconditionally pro-life: who will proclaim, celebrate and serve the Gospel of life in every situation. A sign of hope is the increasing recognition that the dignity of human life must never be taken away, even in the case of someone who has done great evil. . . . I renew the appeal I made . . . for a consensus to end the death penalty, which is both cruel and unnecessary.”

Saint Pope John Paul II
Papal Mass, St. Louis, Missouri, January 27, 1999

California Bishops announce support for PROP 62 to end the use of the death penalty in California

Vote YES on 62 and NO on 66
END THE DEATH PENALTY

Proposition 62 will end executions in California and save over \$150million per year. Pope Francis said: The commandment “thou shall not kill” has absolute value and pertains to the innocent as well as the guilty. (2/21/16 – Angelus)

VOTE YES ON PROPOSITION 57
California Bishops support the public safety and rehabilitation act.

Proposition 57 offers alternatives: an increase in public safety leading to less crime; programs to promote healing and rehabilitation; the means to deal with offending juveniles as the wounded children that they are; placing more decisions in the hands of impartial judges; and a chance at parole for non-violent offenders.
